## EXTRA PALE ALE MALT

Elevate Your Brew with Bairds Extra Pale Ale Malt, produced exclusively for Loughran Brewers Select. Unleash your brewing creativity with this malt which is crafted to meet the exacting demands of contemporary craft beer brewing, featuring an impressively low colour range that rivals lagers. Whether you're crafting XPAs, Pales, IPAs, or Blondes, our Extra Pale Malt is the secret ingredient for producing irresistibly hoppy and delightfully hazy beers.

Extra Pale Ale Malt is produced at Bairds Witham Maltings.
